The screenshot shows the OpenWeatherMap website interface. At the top, there's a navigation bar with links like 'Weather in your city', 'Guide', 'API', 'Dashboard', 'Marketplace', 'Pricing', 'Maps', 'Our Initiatives', 'Partners', 'Blog', 'For Business', and 'Support'. A green notification box in the center says 'Signed in successfully.' Below it, a pink banner states: 'You have to verify your email to use OpenWeatherMap services. Please [click here](#) to get an email with the confirmation link.' The main content area features a section titled 'Historical weather for any location' with a sub-header 'Our new technology, Time Machine, has allowed us to enhance the data in the [Historical Weather Collection](#).' It lists two bullet points: 'Historical weather data available for **ANY** coordinate' and 'The depth of historical data have been extended to **40 YEARS**'. Below this, it says 'You can download data from [Personal account](#) or [contact us](#) to order it.' Two orange buttons, 'Learn more' and 'Go to purchase', are at the bottom of the section. The Windows taskbar at the bottom shows the time as 08:20 PM on 09-11-2022.
